alicia

I've really only been fucking for a couple years. I am pretty good with my hands and mouth, however my sexual appetite has doubled, no tripled, over the last couple years and I'm so horny now. Sometimes I feel horny all day long and jump into the tub when I get home for a marathon bath and masturbation session. So it's Friday night and I just finished in the tub, and myself when I get a booty call from Benji, as I like to call him. He says that he's horny too and asked if we could get together in an hour or so.

"I'M TOTALLY NOT WHAT I LOOK LIKE. I WANT TO HAVE FUN AND GET LAID A LOT"

Benji arrives right on time and I greet him at the door with just my little spaghetti top on and nothing on the bottom. Immediately he felt down there and said, "Mmmm, cleanly shaved." I told him I did it just for him. The he turned me around and slapped my butt, before spreading my cheeks and feeling my butthole. It was slippery from the lube I put on and that put a huge smile on his face as he put a finger inside. Well, if that wasn't enough to make me even hornier, then nothing is. "Let's go, Benji..."

THE CROWD WAS TURNED ON BUT I WAS TURNED ON EVEN MORE

I picked her up at nine. She was ready and looked the part. We were off to a music festival, the last of the summer. College started in three weeks so we were ready for a big blowout. I drove and we got to the venue about ten that night. When we arrived, it was a rolling sea of humanity, the stadium shaking with the crowd and thunderous music.

Magnolia and I with about 10,000 other jumping, screaming, seeing people strained to see the stage. The band was some alternative rock trio, warming up to the main act, and everyone was warm — steaming hot, in fact. Magnolia was into the music so deep, I hardly recognized her, hopping around and shaking her head throwing her arms all over the place.

I was standing right behind her, jammed up against her. The girl's long hair smacked my face, the backs of her hands smacking into me, her butt and body sliding up and down my front side. I was sporting a hummer to show for her efforts, not that anyone cared or noticed.

And as Magnolia gyrated her burning body against me, I got a righteously dirty idea about how I could really get off on the music. My girlfriend was wearing a tube top and pair of shorty shorts. I grabbed onto her like I needed support, rocked by the people around us – grabbing onto her big awesome boobs.

She hardly took notice, jumping up and down like a mad woman. I gripped and squeezed her boobs, pressing my erection into the warm cleavage formed by her fleshy butt cheeks and the stretching material of her shorts. People jammed in from all sides, and I jammed into luscious Magnolia's backside.

Her booty shimmered and shuddered against my pulsating cock. Her boobs jumping in my sweaty hands. I started jumping around with her, rubbing my friend into her twin mounded backside. She glanced back at me and grinned, her face shining with droplets of sensual perspiration.

THE CROWD WAS LOUD AND IT HELPED MUFFLE HER MOANS AND GROANS

I got bolder, holding my hands on the girl’s bouncing chest and levering them in between my cock and her ass. I pulled my zipper down and reached in to pull it out of my jeans. It was as hot and throbbing as everything else as the sounds of music drenched and rocked the stadium.

Then I wedged my fingers into the back of Magnolia’s shorts and pull them partially down. Her plump butt cheeks plop out into the open right up against my hard on. I slammed it in between her bare cheeks, sneaking my cock into her soft butt cleavage, and pumping. She let out a squeal and rattled her head and her butt back and forth, as the lead singer up on stage incoherently shouted into the microphone.

I re-wrapped my arms around Magnolia, only this time I pushed my mitts right up under her top and grabbed onto her bare tits. Fuck, they felt good! Like my cock in her butt cheeks. I squeezed them, right there and rolled her rigid nipples between my fingers with my other hand

The decibel level hit almost 200, the crowd roaring as the shirtless drummer beat his skins like they were on fire. I pumped Magnolia’s butt cleavage to the rhythm to her frenzied jumping, hanging onto her boobs and pinching those nipples until she squealed. Sweat poured off my face and body, my cock felt like a length of steel between Magnolia’s ass bumps.

The music and my ardor got harder and faster mauling her boobs, both of us getting closed in on and getting jostled on all sides. I’m not sure she even fully realize what was happening, or fully cared. But my bouncing sack was boiling over, the impromptu public booty rubbing and titty groping driving me wilder than the long-haired freaks up on stage.

“Fuck, yeah!” I grabbed Magnolia tighter, clutching her tight to my burning body. And then I really went with the music, carried away by the passion. I dropped the hand off her boob and down onto my dick, pulled it out of the girls ass cleavage and pointed it at her slit. I probe her kitty with my cock, finding her gash, just as wet and juicy as the rest of her – finally find

ing her wet opening.

THE CROWD WAS GOING HOME BUT WERE GOING TO CUM AGAIN

I speared my cock into Magnolia's pussy, driving fast and hard, as the music, upped its tempo. She kept right on bouncing around, her spasming fuck muscles sucking on my cock, the girl not even aware in the frenzy.

No one else noticed, either, too busy yelling and screaming and singing, surging up and down in the sea of humanity, but I know this and so did my cock. I squeezed the crazy girl's boobs and pumped her slit, thrusting my hips to the frenzied beat of the music, pounding in my cock like the lead guitarist was pounding out the cords.

It was a crazy trip, totally wild. Magnolia jumped around on the end of my shunting dick, fucking herself as much as I was fucking her. I buried my face in her sweet smelling hair and fucked her pussy and pinched her still hard nipples.

My hips pumped fast, my hands gripping and crushing her boobs. Then I jerk, jolted by fiery orgasm. Jizz jetted out of my stiff cock up into Magnolia's love tunnel, filling the oblivious girl to overflowing. I sounded off harder and louder than anyone.

When the song was over and I was drained, I calmed down a bit. Magnolia looked back at me. "You really got off on that one, didn't you?" she said smiling. I nodded, blinking stars out of my eyes, sliding my cock out of her pussy.

Magnolia turned to me, wrapped one arm around my neck and gave me a big sloppy kiss. With her other arm, she reached down and grabbed my cock just as she stuck her tongue deep into my mouth. I returned the kiss and let her squeeze my cock before sticking it back in my pants.

It would take two more songs and the shirt off my back to get us separated and cleaned up. Not that anyone noticed. The concert ended and everyone headed out. She grabbed my hand and started pulling me and running for the exit.

Looking back at me, I heard her say she was going to fuck my brains out, but I think I left them there in the arena. Anyway, I didn't need them to fuck her silly.

GIA

From my perky nips to my tasty pussy lips, I'm ready and waiting to service your every need. I want nothing more than to caress your hard cock in my willing mouth. I want to feel your hands grip my firm natural tits; and If you'd cum on me, I'd love nothing more.

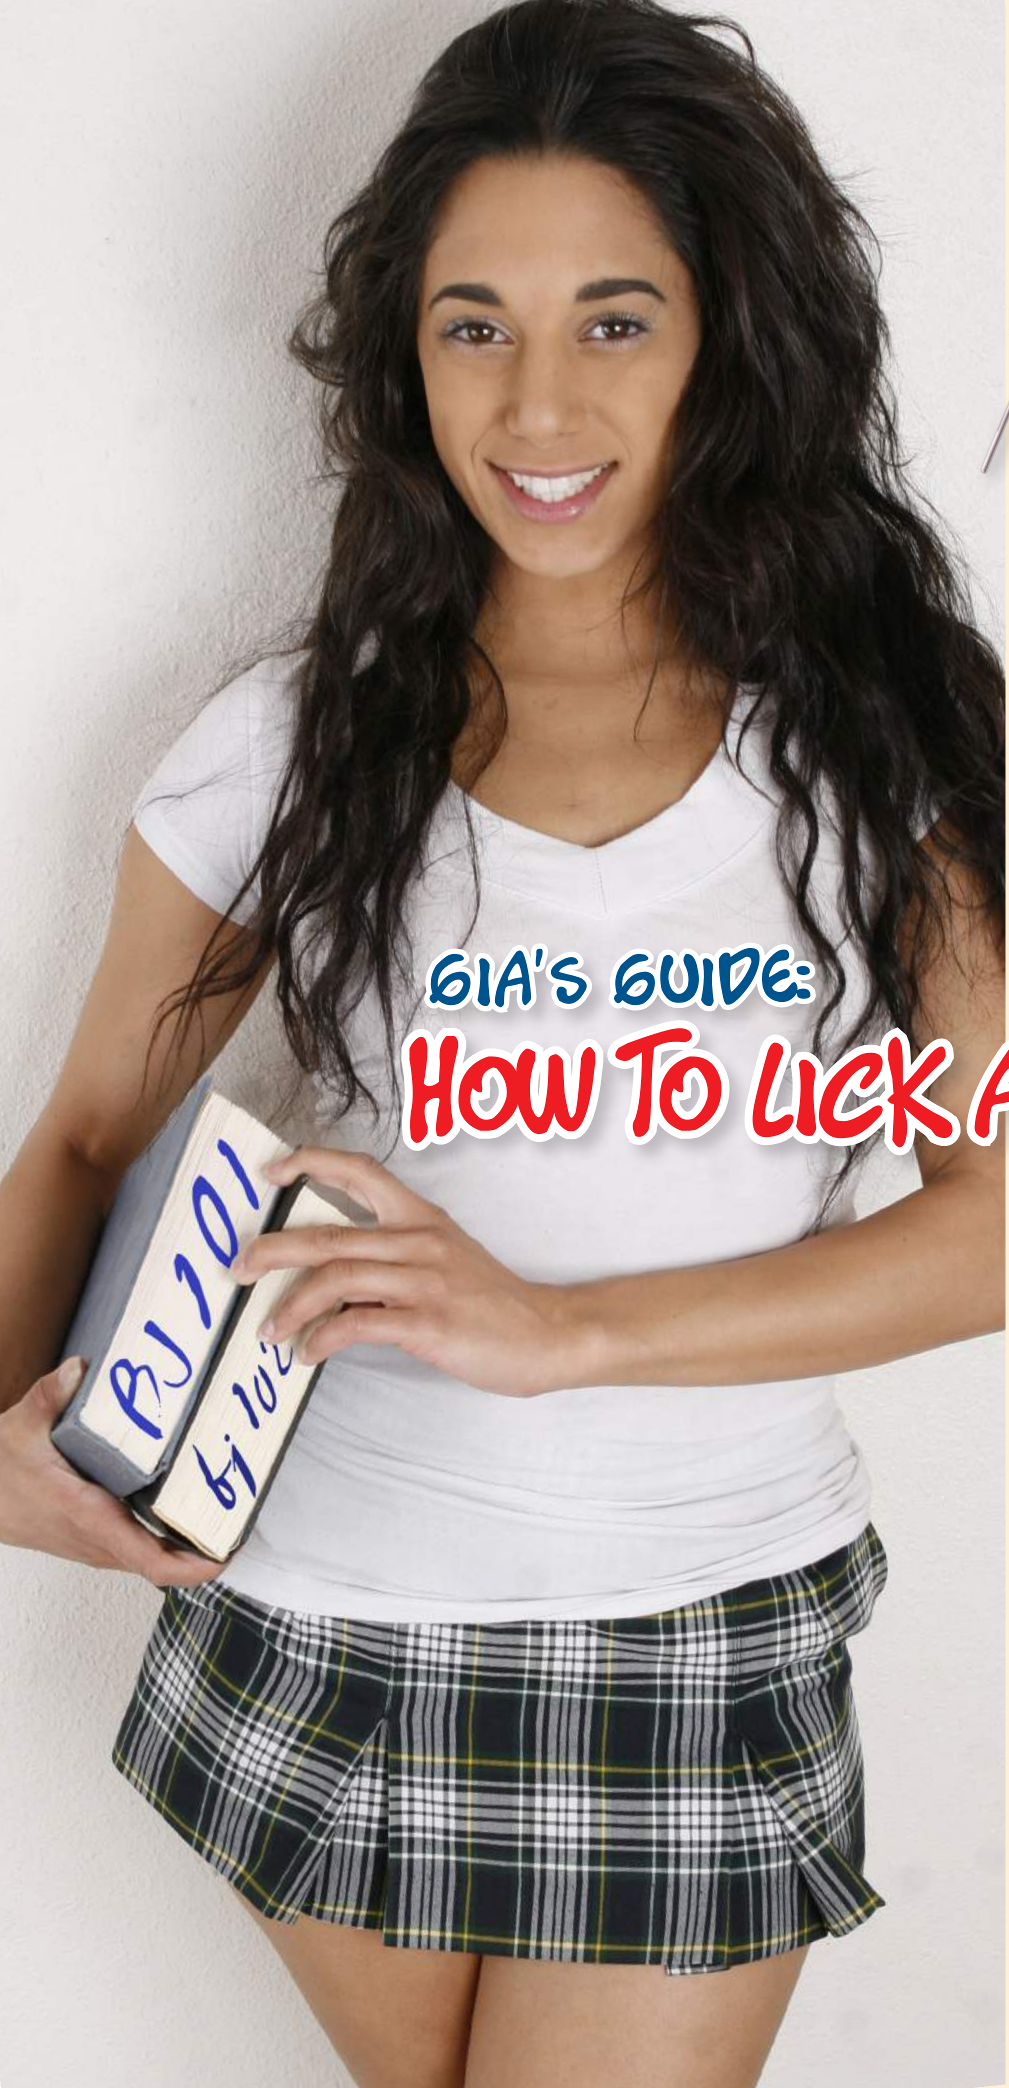
LOVE THE TASTE OF YOUR LOLLYPOP



GIA'S GUIDE:

HOW TO LICK A LOLLYPOP

One of the sexiest ways a man can be pleasured is when a woman adores his cock. One of the best ways to do this is to suck it for him – like a lollypop. And I don't mean just lightly lick it, I mean take it in your hand, devour it, lick it hard, suck it hard, and feel it down your throat.

First of all, men know if you like doing this or not, just by how you go about it. If you don't like it, he will know because the enthusiasm is not there. Be passionate about giving head. Go for the gusto and it will turn him on so incredibly that he will say "I had the BEST blowjob today," and he will remember it for many hours of masturbation later.

As a woman, be in charge of the blowjob and be one who wants to seriously give her man pleasure. You are in control of him in this moment. Here are some tips for truly making love to your partner's penis:

To give the best blowjob ever you will need to put some effort into it. Putting the penis in your mouth and simply going up and down on it will accomplish nothing, this is not a blowjob. You hold the power to give the best blowjob ever so unleash it!

Let him watch as you master his cock. If you are lying on the bed between his legs, or if he is standing looking down, he is intently watching you. Use one hand to stroke his tummy, balls, up and down his legs, thighs, nipples, and hold his cock with the other hand so you can

GIA'S GUIDE:

HOW TO LICK A LOLLIPOP

guide it carefully away from your back teeth. Guys who pull your hand away sometimes regret it because they don't realize you are keeping his precious head from those sharp grinders in the back of your mouth. If they've pulled your hand away though, it might be an indication that you were squeezing too hard, or that he wants you to take his cock deeper into your mouth. Going all the way down is incredibly pleasurable for the man to see his cock disappear down your throat.

Some men like their blowjobs sloppy wet, there can never be too much saliva during oral sex. If this is a problem keep a glass of water nearby to help keep the juices flowing.

Suck his balls. Men don't usually get a lot of attention to their balls because most women think they'll hurt them. But if you gently stroke them and suck them by taking one into your mouth at a time, tonguing it then moving to the other one, you will see how much enjoyment is derived from this attention. Then use your tongue horizontally up the vein of the cock and feel him gasp when you again, suck the head into your mouth.

While giving oral sex saying things like "you taste so good", or "you are so big", in your sexy voice are a definite plus while getting a blowjob. I am more specifically referring to the verbal communication needed to know what exactly your man is enjoying. Use phrases like, "Do you like it when I do this", or "Which way feels better for you". Communication plays a major role in giving the best blowjob ever.

By humming or making slurping noises during a blowjob you can actually send vibrations throughout the penis which can be very enjoyable for your man.

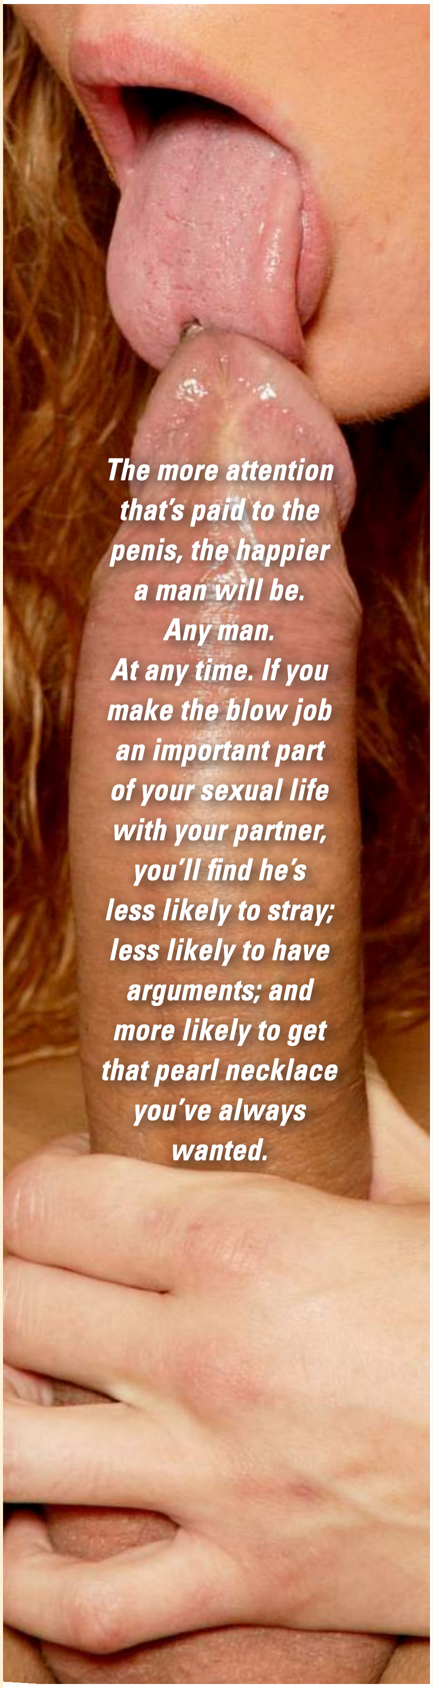
GIA'S GUIDE:

HOW TO LICK A LOLLIPOP



The more attention that's paid to the penis, the happier a man will be. Any man. At any time. If you make the blow job an important part of your sexual life with your partner, you'll find he's less likely to stray; less likely to have arguments; and more likely to get that pearl necklace you've always wanted.

In my opinion deepthroating is the best blowjob technique ever. There is nothing like watching an entire penis come spilling out of your partner's mouth. The flicking and wagging of your tongue using good pressure is very pleasurable. Try twirling it around the head one way, than the other way. Again, this will bring gasps and moans.

Another little trick that makes my men gasp with pleasure is when I use my teeth ever so gently on the cap of the penis. Be sure there is a lot of saliva for gliding your teeth on. I start out by having my teeth clenched together at the tip of the penis. Then as I glide down the cap I slowly open my jaws. My lips are closed around the shaft as my head moves downward. Then I flick my tongue as my teeth give way and cause a suction with it. This sensation seems to bring a new experience to each recipient.

While some men enjoy a little nibbling, there is nothing worse than the pain from scraping teeth. Some scraping is going to occur, there is no way to prevent 100% of the scraping especially when your going fast and furious. You can prevent some of the scraping by using your lips to cover your teeth as well as being aware of the position of the penis.

Most men who are uncut are extremely sensitive when you expose his penis by pushing the skin all the way down and holding it down to suck him (but be careful here as some can find this painful). You have to ask the man which he prefers. Exposed or unexposed. Sometimes I try to leave the skin up and stick my tongue between the outer skin and see how far down I can slide my tongue in before the skin folds back with my motion. Pressure is important too. Squeezing with your lips as you move up and down is very important.

And last but not least, swallowing cum. I have asked men which they prefer. A woman swallowing his cum or him jacking off in the last seconds before he cums, onto her breasts, ass or whatever. Many men grew up watching porn and in all porn, pulling out of the mouth and other orifices is the norm, so the viewer can see the glorious "money shot." As a result, many men associate an awesome orgasm with pulling out and cumming on her breasts, face, tummy or ass as he strokes. It is a turn on to see the fruits of your labor for sure, or feel the warm love juice on your breasts.

"Do you swallow?" is one of the most asked questions, because if you remember in the beginning, my first point was; a man's ego lives in his penis. If you swallow his ambrosia, his ego is given the ultimate compliment.

After he cums in your mouth, slowly pull away and leave the penis alone now. It is painfully sensitive and can't bare any more attention for a few minutes. A nice warm washcloth placed on his shaft and scrotum feel lovely to him while he is resting and recuperating.

You are now equipped with some knowledge of how to pleasure your partner in ways he might not be familiar. Listen to the noises he makes and be acutely aware of what makes him happy. If you want to make him cum as opposed to just warming him up for hours of pleasure, just remember these things and put them into practice – every chance you get.

Karen is a nymph, a total sexual tigress in the bedroom. She loves cock, craves it and can't never get enough of it. She dreams about it at night and spends her days looking for hot, young guys to fuck or playing with her collection of toys. The only cock she wasn't getting any action from was her boyfriend's. The 19 year old hadn't seen a problem with the start of their relationship, but now her bf just couldn't keep up with her needs. It had been a few days since she had been banged hard and fast, so she decided to take matters into her own hands while her bf was away.

"DOES THIS LOOK LIKE A BODY THAT SHOULD BE NEGLECTED? MY BOYFRIEND DOES!"

jJust as the horny vixen was slowly sliding her fingers into her warm, inviting pussy, her trainer walked in looking for her, ready to start their work out. Having just started her own exercise routine, the busty brunette wasn't going anywhere. And the trainer was going to help her work her favorite muscles. Her big boobs bouncing up and down like crazy and flying every which way, Karen rode his cock like an animal. The neglected girlfriend begged for it in every position until she could barely keep up with his thrusts. Her pussy was spasming and she was moaning and panting. This was the best exercise ever.

I hate working late at and will do anything to make the time go by faster, if I do have to work. Owning a successful gym and being the hottest and most well-known trainer in the state, I never had a shortage of cash. As a single woman, most of my time and money was dedicated to helping out the rest of my family. I was always working, always thinking about others and then, one day, it me, I hadn't had sex in a year. I was so sexy, how could that be possible?

CAN'T WAIT TO GET STARTED

Then Dino walks in and he was one of the best assistants I had ever had, but how was I going to make sure he wouldn't refuse my offer to stay? But how? So I decided to let my body do the talking. As he started working, I told him to come find me at home when he was done. What he didn't know was that he would me wearing only her skimpy panties, my smoking hot body on display for him to enjoy. So, I'll say to him, 'Come over here Dino and take your clothes off right now and put it in.'

Oh, there's my doorbell...
